Judgment

IMPRISONMENT

The defendant is hereby committed to the custody of the United States Bureau of Prisons to be imprisoned for a term of one-hundred (100) months.

XX The Court makes the following recommendations to the Bureau of Prisons: designate as the place of the defendant's confinement a facility in which he might participate in an intensive drug treatment program. The court also recommends that the Bureau of Prisons designate as the place of the defendant's confinement, if such a designation is consistent with the defendant's security classification as determined by the Bureau of Prisons, the Federal Correctional Institution at Terre Haute, Indiana, so that the defendant might be close as reasonably possible to his son and mother in Michigan City, Indiana. The court has no objection (but does not recommend) to maximum halfway house placement should the defendant become eligible for such placement.

XX The defendant is remanded to the custody of the U.S. Marshal.

\_\_\_ The defendant shall report to the facility designated by the Bureau of Prisons, as advised by the United States Marshal, not later than
